Thanks, Sally. Navy's letter seems fine to me.

Jay

Please look at the second to last paragraph. You're ok with sentence regarding tetra tech management?

All -

My counterpart at the Navy, Jeanine Womble, has shared their draft response.

I thanked her and let her know that if EPA has any issues with the Navy's draft response, we would let them know. Target date for both EPA and Navy's letters is Monday, June 18th.

With regard to EPA's and the Navy's draft responses, do folks want me to share our draft response with Amy Miller as Chief of Staff and/or Debbie Jordan for their review as this will be going to Mike Stoker for his review and signature? Please let me know.

Brent,

Attached is our draft response. Our boss likes a one page letter, so we had to cut some things to make the page limit but I believe the two letters are consistent.
